Mr. Kevin Kendall  
Division Manager  
Laidlaw Waste Systems Inc.  
1766 N. Gettysburg Ave.  
Dayton, OH 45427

Dear Mr. Kendall:

In order to respond to a USEPA CERCLA Section 104 request, we need all information you have concerning waste shipments to Powell Road landfill from DAP Inc. facilities at 875 North Third Street, Tipp City, Ohio and at 5300 Huberville Road in Riverside, Ohio. DAP normally destroys records after 5 years, so we have no information prior to the closing of Powell Road in 1984.

I would appreciate copies of all pertinent documents including records of conversations, truck tickets, invoices, etc. as well as any anecdotal information about the nature of DAP waste taken to Powell Road

Because we have so little time to respond to the USEPA, I would appreciate hearing from you as soon as possible. Thank you for your help.

Sincerely,

Susan Sandro
